2021 SIAM Central States Section
6th Annual Meeting

October 2-3, 2021
University of Kansas
Lawrence

You are invited to organize a mini-symposium, present a contributed talk, or poster session.
The deadline for submissions is September 1, 2021.

Our current plan is to have the conference in-person (as-long-as it is permitted by KU campus COVID-19 protocol). We will decide around August 27 if the conference will stay in-person or switch to be virtual.

We have limited funds to support travel for some participants. Special consideration will be given to those in underrepresented groups and young researchers.
